D. GENERAL INFORMATION

Leaders have a vision and are able to communicate that vision to others and to act to bring it about. Leaders are friendly, decisive, and have good management skills. An effective leader inspires others to take action and promotes productive change. She has a strong desire to achieve, and at the same time, she takes the time to be a mentor to and groom her successors. How does the candidate most represent these qualities of leadership?

D. GENERAL INFORMATION

ABWA is devoted to the advancement of business women and provides opportunities to learn and to develop important business skills. ABWA chapters/networks provide learning experiences for members and others in the community. The Scholarship Award is given to the business woman who has done an outstanding job of helping others learn by providing career direction and serving as a mentor, guide and teacher. How does the candidate most represent these qualities?
