“I joined River City Express Network in search of personal development as well as a professional networking outlet. Everyone has been very warm, welcoming, supportive, and most of all...genuine, whether sharing about their professional backgrounds or personal life experiences. Each time I check the website for next month's meeting topic, I get excited because the topics are interesting and always cover areas applicable to further developing my personal and professional growth. I am glad to have found River City Express Network and proud to be a member.
